9 October 2018

Dear Sir/Madam

ESSENTIAL BRIDGE INSPECTIONS:
C1185 – BREDWARDINE BRIDGE, BREDWARDINE, HEREFORDSHIRE

Balfour Beatty Living Places, on behalf of Herefordshire Council, will be carrying out a bridge inspection at Bredwardine Bridge on **Wednesday, 24 October 2018 and Thursday, 25 October 2018**. These works are part of the investment programme carried out to improve the County's highways' network infrastructure.

Please refer to the attached plan showing the location of this work and diversion route. These works will involve the use of a Mobile Elevated Work Platform (MEWP) hence why a section of the road will be closed between 08.00 hours and 16.00 hours each day. The road will re-open each evening at 16.00 hours.

Access to residential and/or businesses along this stretch of road *may* be restricted during the times mentioned above but Traffic Management operatives will assist when necessary and safe to do so.

The programme is liable to change in the event of unforeseen circumstances or adverse weather. All changes will be highlighted on the Advance Warning signs which are situated at both ends of the affected road.

Please note that the process involves the use of heavy machinery so you are advised not to allow children to run or play either on or near these works.

We appreciate that these works may cause delays to the traffic and public while we are working on the bridge, therefore please allow extra time for your journeys.

Refuse and recycling collections (if applicable) – please ensure that refuse and recycling is presented by 06:30 on your normal collection days throughout the period of road works. Collection operatives will attempt to make collections but may change the collection time so that they can access your road before or after works take place on collection day. If your collection does not take place on the normal collection day please leave it presented until the following day as the collection contractors will make arrangements to attempt collections again.

Please contact Customer Services on 01432 261800 for any further assistance you may require.

Balfour Beatty Living Places apologise for any inconvenience these works will cause and thank you for your cooperation and patience in advance whilst these essential works take place.

Yours faithfully
